

## WATERPROOF PAINT GREY HEAVY COAT

### SAFETY DATASHEET

According to 1907/2006/EC (REACH), 453/2010/EC

Printing date: 21/03/2017

Revision date: 25/01/2017

#### SECTION 1.- PRODUCT AND COMPANY IDENTIFICATION

<b>Trade mark</b>	Waterproof paint grey heavy coat		
<b>REACH (registration number)</b>	0090013 to 0090019		
<b>Application of the substance / the preparation</b>	Paint		
<b>Producer</b>	PINTURAS PIMASA, S.L.	<b>Address</b>	Polígono Industrial Campollano, Calle D,43 02006 Albacete España
<b>Contact</b>	<b>Telephone</b>	<b>Fax</b>	<b>Email</b>
www.pinturaspimasa.com	+34 967218528	+34 97220808	gerente@pinturaspimasa.com

#### SECTION 2.- HAZARDS IDENTIFICATION

<b>Classification of the substance or the mixture</b>	
<b>Classification</b>	According to European Community regulation, this classification might be completed with other information by the company or specializing literature.
<b>Label features</b>	
<b>Symbols</b>	None.
<b>Hazard advice</b>	
<b>Safety measures</b>	Not relevant.
<b>Special regulations</b>	None.
<b>Contains</b>	
<b>Other hazards</b>	None.

#### SECTION 3.- COMPOSITION / INFORMATION ON INGREDIENTS

<b>Chemical features</b>	
<b>Description</b>	Waterproof non-asphalt satin paint based on acrylic copolymers in emulsion.
<b>Hazardous substances contained</b>	None.

<b>Additional information</b>	See Section 16.
-------------------------------	-----------------

#### SECTION 4.- FIRST AID MEASURES

<b>General information</b>	No special measures required.
<b>In case of inhalation</b>	Supply fresh air. Seek medical treatment in case of perturbation.
<b>In case of skin contact</b>	Contact with skin does not cause irritation.
<b>In case of eye contact</b>	Rinse the eyes under the tap for several minutes keeping them wide open.
<b>In case of ingestión</b>	Rinse out mouth and throat, since they may have been affected, keep the person affected resting, keep the head leaning down to avoid aspiration, do not induce vomit.

## WATERPROOF PAINT GREY HEAVY COAT

### SECTION 5.- FIREFIGHTING MEASURES

<b>Appropriate extinguishing media</b>	Not inflammable under usual storage, handling or usage conditions. Use CO <sub>2</sub> , powder or water spray. Fight larger fires with water spray or alcohol resistant foam.
<b>Protective Equipment</b>	Wearing self-contained respiratory protective equipment might be necessary.

### SECTION 6.- ACCIDENTAL RELEASE MEASURES

<b>Safety precautions for people</b>	Not necessary
<b>Measures for environmental protection</b>	Do not allow spills in water environments. Prevent spills from entering gutters or contaminate water. In case this happen report immediately to the authorities. Dilute with plenty of water. Avoid pollution in sewers, water streams or surface/underground water.
<b>Cleaning up / collecting methods</b>	Hold and collect with absorbent material (e.g.. sand, soil, vermiculite, diatomite, sawdust).
<b>Additional information</b>	No dangerous substances are emitted.

### SECTION 7.- HANDLING and STORAGE

<b>Handling</b>	
<b>Precautions for safe handling</b>	Follow existing legislation on workplace hazards prevention
<b>Precautions for fire and explosion protection</b>	No special measures required.
<b>Storage</b>	
<b>Requirements to warehouses and containers</b>	No special measures required.
<b>Information about storage in combined storage facilities</b>	Not required.
<b>Further information for storage conditions</b>	None.

### SECTION 8.- EXPOSURE CONTROL PARAMETERS

<b>Additional information about design of technical facilities</b>	No further data. See Section 7.
<b>Ingredients with admissible limit values that require monitoring at the workplace</b>	This product does not contain ingredients with limit values that require monitoring at the workplace.

<b>Additional information</b>	The valid list during the making were used as basis.
<b>Personal protective Equipment</b>	
<b>General protective and hygienic measures</b>	Safety measures for handling chemicals must be followed.

<b>Respiratory protection</b>	Not required but the use of face masks is recommended.
<b>Protection of hands</b>	Protective gloves. The glove material has to be impermeable and resistant to the product/substance/preparation. No evidence leads to any special recommendation to choose materials for the gloves. The gloves materials are selected taking into account the penetration times, rates of diffusion and degradation.
<b>Material of gloves</b>	Suitable gloves must be selected on the basis of both the materials they are made of and their quality characteristics, and there may be differences among producers. This product contains several substances that prevent evaluation in advance of glove materials resistance. Thus, it is recommended testing gloves before use.
<b>Penetration lapse of protection gloves</b>	The exact penetration lapse of the gloves has to be found out by the manufacturer of the protective gloves and has to be observed.
<b>Eye protection</b>	The use of protective glasses when transferring the product is recommended.

### SECTION 9.- PHYSICAL and CHEMICAL PROPERTIES

<b>General information</b>	
<b>Appearance</b>	Fluid.
<b>Colour</b>	Grey.
<b>Odour</b>	Characteristic.
<b>Change in condition</b>	
<b>Melting point / Melting range</b>	Undetermined.
<b>Boiling point / Boiling range</b>	100° C.
<b>Ignition point</b>	>61° C.
<b>Auto-ignition temperatura</b>	This product is not self-ignitable.
<b>Explosive properties</b>	This product does not present an explosion hazard.
<b>Vapour pressure at 20°C</b>	23.00 hPa.
<b>Density at 20°C</b>	1.359 to 1.363 g/cm <sup>3</sup> .
<b>Solubility in / Miscibility with water</b>	Fully miscible.
<b>pH-value at 20°C</b>	9.0.
<b>Content of solids</b>	55.4% to 55.8 %.

### SECTION 10.- STABILITY and REACTIVITY

<b>Decomposition temperature / conditions to avoid</b>	No decomposition if used according to specifications.
<b>Hazardous reactions</b>	No hazardous reactions known.
<b>Hazardous decomposition products</b>	No hazardous decompositon products known.

### SECTION 11.- TOXICOLOGICAL INFORMATION

Acute toxicity	EUH208. Chloromethylisothiazolinone content. May produce an allergic reaction.
Primary irritant effect	
Skin corrosión/irritation	No irritant effect known.
Serious eye damage/irritation	No irritant effect known.
Respiratory or skin sensitization	No sensitizing effects known.
Specific toxicological data of substances	

### SECTION 12.- ECOLOGICAL INFORMATION

#### General information

Adverse effects to the water 1 (self-rating)	Slightly hazardous for water. Do not allow that the product, in large quantities or high concentrations, mixes with sewers, surface or underground water.
--	---

### SECTION 13.- DISPOSAL CONSIDERATIONS

Product recommendation	Disposal must be made according to official regulations.
European waste catalogue Code	
Description	Use water to cleaning. If necessary, add cleaning products.
Waste management (Disposal & Valuation)	Do not allow the product mix with sewers, surface or underground water. Packaging disposal does not mix with domestic waste.
Legal disposal considerations	

### SECTION 14.- TRANSPORT INFORMATION

Land transport.		
ADR/RID and GGVS/GGVE (International/Domestic)	ADR/RID and GGVS/E type	-
Maritime transport		
IMDG/GGVSee	IMDG type	-
	Marine pollution	No
Air transport		
ICAO-TI and IATA-DGR	ICAO-IATA type	-

### SECTION 15.- REGULATORY INFORMATION

Safety, health and environment regulations for substance/mixture CE 528/2012	Contains an additive to keep the properties of the product.
--	---

## WATERPROOF PAINT GREY HEAVY COAT

<b>Dangerous substances</b>	Directive EC 45/1999 modified by EC 60/2001.
-----------------------------	--

<b>Safety datasheet content</b>	CE 1907/2006, CE 453/2010
<b>Relevant R-phrases</b>	P101: In case of seeking medical advice, keep close packaging or labelling.
	P102: Keep out of the reach of children.
	P103: Read label before use.
	P501: Recycling product/packaging according to official regulation.

<b>Hazardous for water</b>	Slightly hazardous for water.
----------------------------	-------------------------------

### SECTION 16.- OTHER INFORMATION

<b>Issued by</b>	PINTURAS PIMASA, S.L.
<b>Contact</b>	See Section 1

The information in this Safety datasheet is the result of current technical knowledge, based on national legislation and CE Directives. The product must not be used for purposes other than those referred to in the technical datasheet. It is always the responsibility of the user to make the necessary measures to fulfill the requirements of current legislation.

The information in this Safety datasheet means only a description about the product safety requirements and it should not be considered as a guarantee of its properties.
